Abstract

This thesis aims to look at the implications of Bahrain Vision 2030 and its impact on the social contract.

The Bahrain Vision 2030 was launched in 2008 as a guidance document to insure that the Kingdom of Bahrain moves ahead on a stable and progressive trajectory. The vision 2030 sets up a framework for both the public and private sectors enhancement and productivity over the next decade.

This thesis also observes the potential impact of Bahrain Vision 2030 on the fabric of the social contract.

Moreover, the thesis tries to determine the influence of the vision in regards public governance, social welfare and transformational policies for Bahrain.

Abstrait

Cette thèse vise à examiner les implications de Bahreïn Vision 2030 et son impact sur le contrat social.

Bahrain Vision 2030 a été lancé en 2008 en tant que document d'orientation pour garantir que le Royaume de Bahreïn avance sur une trajectoire stable et progressive. La vision 2030 établit un cadre pour l'amélioration et la productivité des secteurs public et privé au cours de la prochaine décennie.

Cette thèse observe également l'impact potentiel de Bahrain Vision 2030 sur le tissu du contrat social.

De plus, la thèse tente de déterminer l'influence de la vision en ce qui concerne la gouvernance publique, le bien-être social et les politiques de transformation pour Bahreïn.
